The Play Factory will mark the opening of its second Phoenix-area location Friday with a private party for children from Mesa's Child Crisis Center.

The center, founded in 1981, is committed to the prevention of child abuse and neglect. The Play Factory at Mesa Riverview offers facilities for parties and play areas.

Food and drinks for Friday's private party have been donated by Red Brick Pizza and Wal-Mart.

An Anthem Play Factory location is open and the Phoenix company has two sites in the works in Scottsdale and one in Peoria.
